Distance from Church/School Waiver

I hereby request the Director of the Neighborhood and Community Services Department to waive the requirement that “no alcoholic beverage license shall be issued for any location when the premises are within 300 feet of a school or church, measured from the nearest point of the enclosing wall of the premises to the nearest point of a church or school as defined in this chapter” as outlined in section 10-212 of the Code of Ordinances of the City of Kansas City, Missouri.

I am requesting this waiver under the provisions outlined under section 10-212(e) of the Code of Ordinances of the City of Kansas City, Missouri. I have included a letter from the managing authority from the church/school, that is within 300 feet of my current/proposed premise, stating that they have no objections to my business operating with a liquor license and that they support the issuance of the requested waiver.

I have also included the reasons why I believe the issuance of this waiver is in the best interest of the City as required by section 10-212(e) of the Code of Ordinances of the City of Kansas City, Missouri.
